*Office Memorandum* • **CONFIDENTIAL** UNITED STATES GOVERNMENT

TO : C/Plans and Policy Staff/TR

DATE: 29 June 1956

FROM : C/Junior Officer Training Program/TR

SUBJECT: Weekly Activity Report #26  
20-26 June 1956

A. SIGNIFICANT ITEMS

2. Careful review of the proposed Course in Intelligence Techniques, as developed [redacted] and others, suggests that it will be more mature, interesting, and beneficial to JOT's than the IPM Course which they have been given heretofore. We anticipate that it will test JOT's much more severely than in the past and therefore should stimulate them to a greater extent. We appreciate [redacted] careful attention to this problem.

B. NORMAL ACTIVITIES

1. C/JOTP attended the meeting called by the DDS to discuss OTR/OPers relationships in the development of the expanded JOT Program. He later met with the DD/Pers to work out details of the applicable Regulation as well as the "blueprint."
